FREQUENTLY ASKED QUESTIONS

WHAT'S THE TOTAL TURN AROUND TIME FOR ORDERS?

From the day you pay for your order, manufacturing begins with 24 hours. The total turn around time depends on what items you purchase. All items are guaranteed to arrive in under 2 weeks but usually arrive sooner. Items from different manufacturers may arrive in separate packages on different days.

HOW FAR IN ADVANCE SHOULD I PLACE AN ORDER?

Beginning with the design process (graphics and mock-ups, approval, etc.) and ending with delivery, we recommend getting started 2-3 weeks before the date you need the products.

HOW DO I PLACE AN ORDER?

Download the order form on our website, fill it out, then email the completed form ContactUS@podsquadacademy.com.

If you aren't exactly sure what you want but would like to begin the design/order process simply leave us a message in our Contact Us box or shoot us an e-mail.

HOW DO I PAY FOR MY ORDER?

After you receive and approve your product mock-ups and you're done hyperventilating from excitement, we will draft up a final purchase agreement with your total price and 2-3 shipping options. Shipping prices are dependent on a few varying factors such as weight, number of manufacturers, and desired shipping speed. Once you select your shipping we will send an invoice.

WHY IS THERE A CUSTOM DESIGN FEE?

We work with professional graphic artists to create your ideal design. The \$75 fee covers the design creation and your exclusive rights as the owner of that design. Re-works of custom designs will require an additional \$20 fee.

WILL YOU ADD MORE PRODUCTS?

Of course! Our goal is to expand our product offerings to meet the needs of new and existing customers. If don't see what you're looking for just let us know and we will do our best to get it!

DO YOU ACCEPT RETURNS?

Due the nature of customization we cannot accept returns. If an item arrives damaged due to shipping or manufacturer error we will work closely with both parties to replace it.
